

## HEALTH SCREENING QUESTIONNAIRE

### EAR AND BODY ACUPUNCTURE

You, as a learner, are asked to complete the following questionnaire and hand it to the tutor prior to the start of the course. You are expected to give and receive acupuncture needling on the course, and may be required to receive needling for demonstration purposes from the tutor. If you are fasting for religious or health reasons you must inform the tutor before the course commences.

This course may not be suitable for pregnant learners; it is considered by CPDG Ltd. that the health of foetus & mother are paramount.

This questionnaire and the answers, will remain entirely confidential to CPDG Ltd at all times, and it is intended to:

- Safeguard your health and well-being during acupuncture needling
- Inform the tutor of previous health issues that may prevent needling
- Prevent or reduce any adverse effects from the needling
- Offer a safe and effective learning environment for learners and tutors
- Maintain mutual respect for each other.
